French-raised Holocaust orphan finds U.S. relatives

Internet research helps a man, at age 59, see photos of his mother for the first time.

By Marilyn August
The Associated Press

PARIS — The nightmares that tormented Wladimir Zandt for nearly 55 years have all but vanished, and the Holocaust orphan now dreams about the gentle face of the mother he never knew.

Zandt used the Internet to track down long-lost relatives — a search that turned up the first images he ever saw of his mother, a host of American cousins he is eager to meet and troubling suspicions that his French foster family blocked his relatives' efforts to bring him to the United States after World War II.

"I've lived my life feeling like half a person, no family, no roots," said Zandt, 59, who lives in Paris. "I've always hoped and dreamed about being normal like everybody else. Now, I finally feel as though I have found myself."

Zandt learned about his U.S. relatives after consulting the wartime archives of a French Jewish children's aid group, OSE. He contacted Holocaust-related groups on the Web, which eventually put him in touch with Carolyn Sand Velez, his first cousin.

From her home in Walnut Creek, Ca., Velez immediately sent off a thick envelope filled with pictures of Wladimir's mother, Perla, a Polish Jew arrested in France and deported to Auschwitz in 1944.

"Opening the package and seeing my mother's face for the first time was like being hit over the head," Zandt said, showing yellowed family portraits taken in Warsaw the early 1930s.

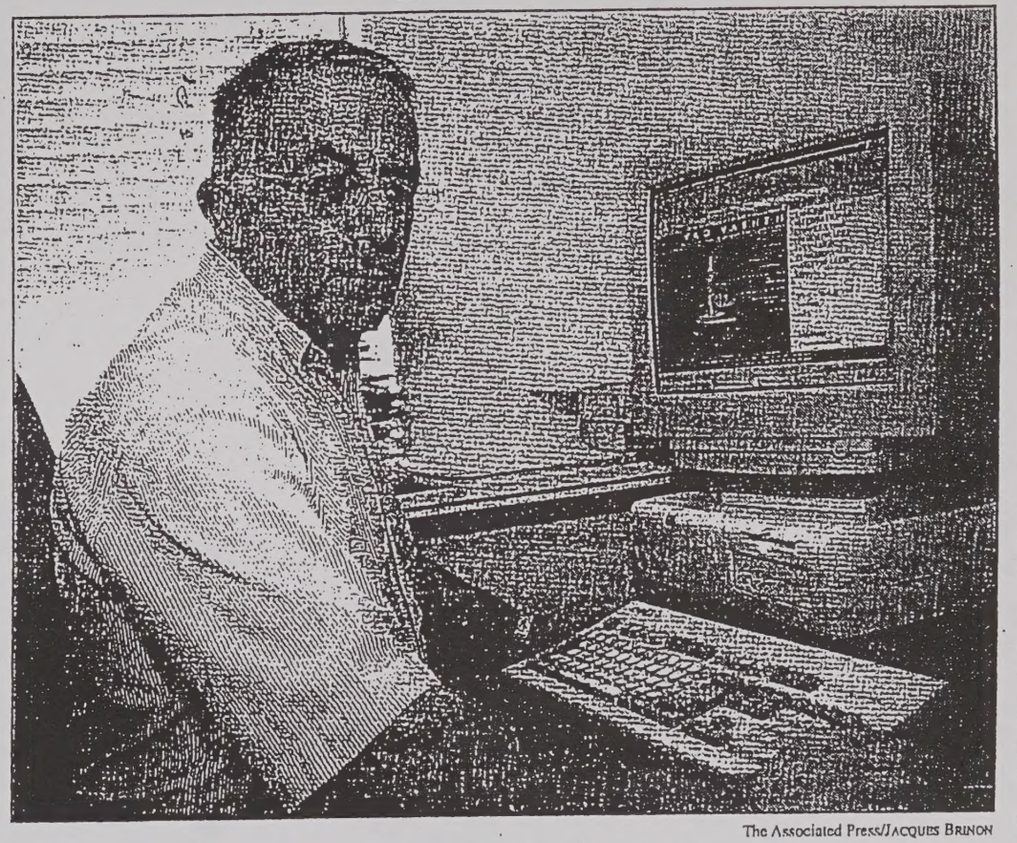
Family photo

Perla Zandt was 20 when this photo was taken in Warsaw, Poland in 1933. Her son was born in 1940.

Also in the files were letters from Morris Sand, his mother's older brother and Carolyn Sand Velez's father, who had fled Poland and settled in New York. There were tax returns, affidavits of financial solvency and a letter discussing payment for Wladimir's passage to the United States.

"My uncle was very aware of my existence and he wanted to adopt me," Zandt said. "But my foster family insisted on keeping me. Using false documents, they had the immigration process annulled. The point is that I was not adoptable — I had family."

Zandt was born in Rivesaltes, a French-run internment camp in the Pyrenees Mountains, on Dec. 30, 1940. Mother and son were separated weeks after the birth. Zandt knows nothing of what happened to his father, a Russian Jew.



The Associated Press/Jacques Brinon

Wladimir Zandt, 59, discovered American relatives about a year ago while doing computer research. He suspects that his French foster family blocked his family's efforts to bring him to the United States after World War II.

Perla escaped from the camp, leaving her son behind. She was arrested in Lyon on June 13, 1944, transferred to the Drancy transit camp outside Paris and shipped to Auschwitz, where she died after a short stint in a German factory. She was 31.

Wladimir was later taken in by the Bobichons, a middle-class French family. He was baptized Guy Bobichon and sent off to a Roman Catholic boarding school.

At 13, Zandt learned that he was adopted. Two years later, he learned he was Jewish.

"It was one terrible shock after another," Zandt recalled. "I had no idea what being Jewish meant. I just felt as if the earth dropped out from under my feet."

These days, Zandt has little contact with his adoptive family. He accuses them of having taken him in for financial reasons, noting that families with foster children got tax breaks and received extra rations of food and clothing during the war.

Far worse, Zandt claims, the Bobichons never gave him his adoption file when he turned 21, as required by French law.

"There was an incredible feeling of being robbed, robbed of family, of affection and of a culture. First, I felt enormous anger, now I feel hatred," he said. "Aunts, uncles, cousins, the real family I could have had all these years."

The Bobichons say they're bewildered and hurt by his accusations.

"My brother's experience was very painful, but I'm sure my parents didn't adopt him for money," Nicole Bobichon, 53, said in a telephone interview.

"They did what they thought was right at the time. It's sad he doesn't see things the same way."

Meanwhile, Zandt's U.S. cousins are looking forward to renewing links with their long-lost relative.

"Carolyn and I are elated. Things like this only happen in movies, and it's much more moving in real life," Esther Gold, 68, said from her home in Howell, N.J.

"To grow up a stranger in your own family, not to have any blood relatives, and then to suddenly find them after all these years, sends shivers up my spine."

Zandt is getting to know his cousins through e-mail and plans to visit this summer.

He says he plans to finance his trip partly by money he expects to receive from the French government.

A faded receipt for 1,000 francs confiscated from Perla at Drancy allowed Zandt to make history. In January, he became the first French Jew to be awarded compensation from the government for looted wartime assets. The Drai Commission, created last year to process claims, confirmed that Zandt will receive about $13,800.

Zandt says the money symbolizes France's recognition of responsibility for his mother's death.

"How do you calculate the price of tears, the price of lost opportunities, the price of a life you didn't lead?" he asked.

by the french holy trinity:
Policy - Religion - Administration

initially of Shoah, the anti semite french " war "(1)

then handling of the french civils servant...

Two crimes which will handicap all his life:
his health, his nights and his psychism...

taking drugs since the 30 years age...
to be able to forget and sleep,
and drinking, to forget the french crimes!...

And, twice, to try to commit suicide
(see the french book " ***Suicide, instructions*** "
that he consulted to the french National Library,
consultation always registered with the BN...),

form engraves handicap and of disability
result of that french war against the Jews!...
Confirmed by french DRAI Commission !...

Handicaps that french administration
refuse to deal with !

Civils servant who did not have the chance
to have their Moms violated and assassinated !

(1) on the photographs of the french camp " of internment " of Argelès (and much of others) where Perla, pregnant, lives under a tent, you can see the french military uniforms there !...

Wladimir is a journalist born!

At 13 years, he discovers, brutally and without any care on behalf of his " adoptive "... death of Perla, his Mother, assassinated by the Frenche-german infernal couple and that his " parents " are not his parents, which they hid to him, since the 6 years age!

At 16 years only, he discovers his Jewish origins...

At 18 years, he has neither information nor files to reconstitute his family saga, the Perla's french course, his Mom and his own course (stolen !).

Because all these informations, theise archives which is to him dùes by the french holy trinity, in 1961, at the 21 years age... were carefully hidden, to him ! " misinformed " file... as the French administration can do... since the SHOAH!
File which would give him the possibility to know his maternal Uncle, died in 1984, when Wladimir was only 44 years old! Maternal uncle who wanted to be his adoptive Father!

As of 18 years, Wladimir begins an investigation which will last 42 years, to discover his roots, the religion and the thousand-year-old tradition of his maternal family!

And... the ***ABDUCTION***, the illegal adoption of which he was victim at the 6 years age!... Temporarily placed in a catholic family, remunerated by the American JOINT...

The welfare officers and justice will rob the child to his American maternal family... with the complicity of the civils servant of four ministries of french supervision!
Facts confirmed by the french DRAI Commission !...

That it discovers after 42 years of investigation!
At 58 years old ! 70 pages of overpowering evidence!

At 59 years,
after one year of research on Internet
it finds HIS real american maternal family.
This maternal family which was robed to him in 1946.
By the french civils servant!

He got from that day tens of photographs of his family,
from Warsaw, from New York, from California...

A family saga which goes back to 1870:
Back grandparents, Grandparents...
and the photographs of Perla, his Mom:
child, teenager and adult...

At 18 years age, he writes in the whole world.

Since 1970, at 30 years, Wladimir crosses Europe in the search of surviving witnesses who will say to him what his files cannot reveal to him...:

- his nurse, initially, finded at the 30 years age,
in Savoy... Mrs Renee, wife of Gendarme...

- the parent of Perla, who speaks about her Father,
Vladimir, Russian, cut down by an arm...

- a witness of the lawsuit Paul TOUVIER,
which assisted to the arrest of Perla, his Mom...

- the Voluntary ones of the Swiss Red Cross Contributes to the Children Victims of the French Holy Trinity victims of the french-german infernal couple,
Benevolent which will save Wladimir of death,
at 6 months...

and which will help Perla to escape from the french camp of internment of Rivesaltes, in free zone non-occupied, close to Perpignan,

where suffered and died 6000 Spanians and Gitans...
where souffer and die 6000 Jews: Parents and Children !

- he meet Edith, her Midwife, who to 97 years... remembers in all the details of his birth, December 30, 1940 to 2 hours 35...
in this voluntary Swiss maternity... without heating nor hot water...
Joy of Perla with which she speaks in German.

- he meets, finally, at 60 years... the French, innocent pilot welfare officer, of his illegal adoption!

Testimonies and interviews which it will fix forever on films, on video cassettes, numerical and audio!
All protected files and originals...in his american maternal family, out of reach possible french indiscretions.....

Hours of recording of women and men who speak, finally, with more than 85 years, their courageous acts of 1940, in spite of prohibitions of the civils servant of the french-german infernal couple!

Men and women courageous, completely forgotten by European politics !

This fifth book of Wladimir is very rich of humanity, thanks to the interviews of surviving witnesses more revealing than the files (accusing...!)

One second " FINALY AFFAIR " which highlights a certain form of french antisetimitism wanting to transform into french-catholic... an orphan of Mother, Jew of birth and tradition!
Victim of the french war against the Jews...
Victim of an abduction and an attempt at assimilation by the french holy trinity...

Orphan born french... ex-serviceman... victim of french, like the Senior officer Dreyfus...

Stolled by france, undergoing an attempted french murder on the 5 months age...

Seriously handicapped, all his life, by his wounds
not cicatrisables, victim of french carrying a french
uniform... who dared to attack Mothers and Children
without defense!...

Beautiful lesson of humanity!...

France giving lessons to the foreign Leaders! In 2000 !

A work written with the 60 years of tears
of a deprived child very early of his Mom, Perla.

Written with his pen full with blood and ashes with Perla.
Writing with his feather of orphan in the shape of dagger.

Against the infernal and criminal french-german couple !
Against the french holy trinity:
Policy – Religion – Administration...

Perla,
Mom, my Love,

Voluntary Swiss nurses of the CRS Contributes to the Children - and their Moms - victims of the french-nazis,

In this French camp of French internment in free zone non-occupied by nazis... in france, camp installed close to the agglomerations... where certain french people, courageous witnesses, blind men lived not to see and... quiet...

French camp among others, one of tens anti rooms before DRANCY-AUSCHWITZ...
installed close to the residential buildings... french!

French camps of the " french free zone " non-occupied... south of france... CAMPS OF FRENCH SHAME.....

Here 60 years, after your pains of young Mom, my work of memory. Of your memory. Of our memory to all both, commune. Memory of a destroyed couple...
Couple with how much crowned, at civilized people.
Couple bound by the love: a Mother and her Child !

Work of memory started as of the 18 years old, thanks to Christiane and Andre, my " spiritual parents " that I choosed, counters the will of my false parents, these even which stole me to my really american maternal family...

Spiritual parents who learned to me, at the 16 years age old, the knowledge of the french Welfare officers and the knowledge of my " false parents "... our original sin: our Jewish origin and conditions of your assassination thanks Hitler and his frenchies friends!...

Then at 58 years, one year ago only... I discovered my maternal files who were to me STOLLEN from my majority... (21 years old, 1961 !...).

Stolen file, where I discovered the illegal adoption of a french couple and... catholic assisted administrations under supervision of 4 French Ministries of 1946...

Whereas my maternal Uncle had provided to france,
2 tax affidavits, the certificate of his employer, his insurance policy... all evidence of solvency...
with the ticket of my crossing towards New York...

File which enabled me to find, at 59 years, my true maternal, American family... after one year of research on Internet... and 56 years of total loneliness, without family, dùe family to each child !...

Thank you, French Holy Trinity:

since 1940, decided by the french government !

Work of 42 years memory, to release our common hatred, accumulated since 1940, since 60 years, since French collaborated with the Nazis to assassinate you in AUSCHWITZ !

Work of memory started 42 years ago, when I was only 18 years old only, to be able to educate the generations to come: parents, children and their little children...

And to inform the whole world, all confused religions, races and political tendencies...
To inform America of french realities... so that my maternal family informs the american medias...

So that the whole world never forgets what a delightful Mamy you were when I was14 month only ! In Lyon. In France !

That Humanity never forgets that french Paul TOUVIER, french sadist, separating us forever, leaving me only, in 14 month only... on that Tilsitt quay, in Lyon (France), June 13, 1944... one week after the Americans touch the beaches Normans to release... french... then the camps!

So that your name is known, for the millenia to come. So that your name never falls into the lapse of memory, in this world where so many passive french wire, dumb pilot french of 1940 to 1944, coward eyewitness... but sometimes covered with decorations...

French always ready to advise me " to turn the page "... To make me forget shame (?) behavior of their fellow-citizens, their nation, their noble " fatherland "?

Thanks to my testimony, this book of an orphan, your Wladimir, your Child, works accompanied by CD Rom and a short film !

Child wildly punished to be your Sons, because Solomon and Sheba, your parents, my grandparents, that I adore, of a true love of grandson, trust of them...

Two loves of Papy and Mamy of which I was deprived, and of which I did not discover the photographs, their liked faces, which at... 59 years... only!

Your child wildly, catholicly punished... because
Solomon and Sheba, my Papy and my Granny...
were Jewish... simply!
Sin seriously punished by the French Holy Trinity!

Quality which made them sizeable beings...
Even when the nazis their made wash the pavement,
with a brush-teeth, knees, 60 years...
in Warsaw Gettho ...

60 years, my age today!

Dear Reader,

The welfare officer,
witness innocent.

Perla, Mamy,

Yes, she attended with the false documents and false evidences and my abduction!

When she openned my file, 70 pages of overpowering evidence,
accusing evidence against the french civils servant...

she remembers these actors,
of these always unpunished crimes...

Unpunished of the sorrows reserved to the authors of abductions of children!
Crimes punished by the french Penal code!...

At 80 years, she testifies,
many irregularities contained in my file.
55 years after that meeting in the Judge of Montluel, close to Lyon... France !

The facts: she remembers it!
The authors of the abduction, acted as any impunity: welfare officers, civils servant of justice.
French civils servant under orders of french ministries…

To the priest, without morality, which agrees to baptize me under a false name!
Priest of the « dociaise » of Neyron... near Lyon. France !

How do not remember more...
How " to turn the page " as this executive from the french raiways recommends it to me... whose his Mother was neither stolen, neither violated, nor assassinated !

How to sleep...
and to invest "to give one's all" in a trade...
in order to don't think...

To work 7 days a week,
in spite of Shabbat, 16 hours per day...

to avoid to open the book which it is still possible to consult to the french national library... in Paris...

Jewish American young people and less young people:
you have escaped with the franco-german rapists,

you have escaped with the men, frenches married
dépraves glances of 1940-45,
who coveted our Mothers and our Wives
in exchange of a few francs or marks,

benefitting from their hunger and their distress...

And you have escaped with the priests
who wished our Jewish, coarsely,
wishing their bodies, to appease their sad instincts

and wishing their soul…
for... converting them into catholics!

Like Spanish of another age. In America!

American Jewish children: I envy you!

You had a Mother and a Father.
A Mom and a Dad.

Ours, left in smoke...
in the european sky french-catho-nazi !

American Jewish children: I envy you!

You were entitled to a normal school,
preparing you with the trade of adult and relative...
Without undergoing the sexual contacts of the priests!

Perla, my so Loving Ima:

you who was wildly violated then assassinated
but always close to me, all my life,

yes, at 5 months, during my transfer of Rivesaltes.
french camp and disaster...
From Rivesaltes to the Banyuls nursery.
In the south of france. Free country…
Not yet occupied by german.

I was, in 5 months, a corpse!
What I read in testimonies

What refuses the French administration of years 2000...
A the failing memory!
Forgetting the " military and police war againts Jews" …
Carried out against the adult Jews... and children !

Author of the signature on my birth certificate, that you confirmed, to the Town hall of Elne, after my birth, without hot water...
in this cold night of December 30, 1940, at 2 hours 35...

where Perla declared me French and catholic " natural ", (by prudence)

avoiding even our Britmila (by prudence)
so that French does not notice my absence of foreskin!

Farmhouse become Mirous, into 2000, the Castle « In Bardou », in Elne, 14 km far from of Perpignan, in the south of france...

Elisabeth, assisted with Edith WILD. Midwife.
Who gave birth to me!

You, my tender Elisabeth, who passed your driving licence... to be able to go to seek, yourself, with your car, the Women pregnant, future Mothers, who waited, with many risks... their maternities,

under the tents of the french camp of Argelès...
under the sun burning of the summer...

or... in the cold of the Catalan winter where breath Tramontana, this terrible and penetrating wind which comes from the north...

You, my dear Elisabeth who collected, for the " Memory " your 600 photographs... " scanned " to make them immortal !

And you, Edith WILD, whom I saw again in my sixtieth year... You have 97 years today !
You are my first Wife...
That which was there to receive me in your hands.
When I have born..... on December 30, 1940...
at 2 hours 35, cold winter without heating nor hot water !

Looking at me tenderly, before Perla does not see me...
Tightening me with end of arm, striking my skin,
to cause my first cry...

To 97 years, my Edith, you remember
of all the details of my birth.
60 years ago, already!
Of my weight: 3 kilos 200!

Your memory has equal only your writing.
Of young woman, 97 years!

My Edith with whom I speak in french...
Or better in Spanish. It is more human!...
And even in German (you were born Germanic Swiss) .

You remember all the details of my birth.
Your words, adorable,
are in my film of television. To prove it...

Swiss maternity of Elne which saw being born 600
children! Saved, with their Moms!
Thanks to Elisabeth.
Thanks to Edith. And all others!

And you, Friedel REITER-BOHNY, the August's Wife.

August, my Uncle of the Swiss Help to the Children,
who collected 200 Children leaving the camp of
DACHAU. In 1946. Their relearning to live. In 6
months of affection! And 6 months of love!

You Friedel, who supported, with your 25 collaborators,
only... thousands of Children and their Moms...

You Friedel, who saved so much and so much Children
and their Moms.

You my three Aunts.
Alas too quickly forgotten, since 1946...

Marked for all your life.
By this terrible period. Period french-nazi!

You my three Aunts. You August.
You all, the Voluntary Swiss ones of the Swiss Help
to the Children and their Moms.
Victims of tortures french-nazis!

Voluntary, fallen in the lapse of memory, since 1946!

I offer you the Medal ...Before it is not too late!
Before Yad-Vashem does offer it to you.

The medal of Yad Vasem for you All.
For all the lives which you saved.
For all your words of comfort.
For all this tenderness offered...
when the french-nazis beat us!

Medal sealed in the walls of this Memorial which must
rise in Rivesaltes. Close to Perpignan. Who was not
occupied by german soldiers. In 1941!

Finger avenger, so that france and all europe
never their crimes forget!

Memorial which will mark forever what you made of your
young lives of Swiss Women, saving thousands of lives...
Children. Moms. And Fathers!

Memorial which will mark the sufferings forever
of these thousands of Innocent of french-nazi cruelty.

In these tens of camps of the south of france...
France accomplice, the friends of Hitler !...

So that for ever , you American, my friends,
your Children and Small-Children...
Jews and non Jewish... do not forget what france and
germany forget, Hitler and his friends... have done !...

What they made to our Parents and their Children,
innocent victims, guiltry to be Spanish, Gitans and Jews...

Yes Mom, I am saved in 6 months.
By these Swiss Young women. Voluntary!
Who allowed you to escape from Rivesaltes...

But, alas, three years later, in 1944.
Only when I was 17 months old. Without You.
Alone on that quay near the Saone river, in Lyon.
After Paul TOUVIER, french, wildly stopped you.

A week after Americans came to france to save occupied Europe...occupied with the complicity of france and their neighbors...

Europeans, french, raping our Wives, raping our Moms!
French without respect of the values, in 1944!

The History will bring the proof from there to your
Children and to your Small-Children.
You, my American friends...

Let know it to them. Immediately...
Before the french-nazis do not return!

Say it to them, my book with the hand,
when you visit Europe.

When you visit France. The southern part...
Who was not occupied into 1941. " Free "!

When you visit Paris!
When you spend your dollars on the Effel Tower,
in the Louvre and the Moulin-Rouge !

Because you, American Jewishes,
you have much chance!

At 13 years old,
nobody learns to you, brutally,
with the complicity of the priests.
how and why you are orphan !

And how your Mom died!

American Jews, you have much chance

not to discover, at 16 years only, which you are Jewish !

American Jews, you have much chance:

the french administration and its adoptives
do not steal you, your own maternal files !
At 21 years. 1961 !

American Jews, you have much chance:

your studies, you made a success of them at a normal age:
france did not oblige you to finance them yourself,
at 32 years, to be, finally, Engineer!

Individual Victory of Wladimir, against the adversity!
Against the adversary! Against france!
Against the adoptives whom refused me studies!

American friends, America, MY true country,
(after Israel, like us all...),

the nationality which Morris wanted to give me,
my maternal Uncle... the Perla's Brother...

Discover the chance not to have been born in the
European Third World...

Chance to have been born in America.
Thanks to your Parents... who fled Europe...
to live in America, prosprerous country...

That your Grandparents built, in little time...
America, country of pioneers!
How is Israel! Our " Eretz "!

America, fusion of all the origins and all the confessions!

America: new country!

American friends, my revenge arrived!

Revenge:

when I found, at 58 years, my file of adoption
that my Uncle MORRIS, the Perla's Brother...

since 1945...
providing to the French civils servant the documents
so difficult to join together, for my immigration,
towards New York, with the ticket of my transport!

File where I found the perjuries
of the french civils servant...
And calumnies of my adoptives on my family...
and on Perla, my Mom!...

Revenge:

when france recognized its complicity
in the assassination of Perla ! I was 59 years old!

Revenge:

when, after months of research on the Web,
I found my American maternal Family at 60 years
55 years after the attempt at adoption of my dear Uncle,
Morris ZANDT.

The Solomon's Son, my Grandfather!
The Sheba's Son, my Grandmother!
Assassinated in the Warsaw Ghetto !

Revenge:

when after months of phone calls
faxes, @mails and administratives mails
with the french civils servant,

I finally obtained, for Perla, my assassinated Mom,
with and " racism " – « anti-semitism » the French
lawyers say, moderately, " racial discrimination "

" racial discrimination "...
today punished by the french law (...)
60 years too late!...

obtained for my Mom, killed by the french-nazis...
her chart of Off-set political!

Revenge:

when, finally, at 60 years, I am born with the life...
and that I will be able to live in france,
that a few months per annum, as Consultant...
for the managers ...

Offering, voluntarily, my spare time
To Israel (our Ground, our Eretz)
and with you American...

America,
MY true country!
My true nationality!

To help you to discover, with my book and my film of television, in English, the disasters and macabre truths that europeans, that french wanted to hid you...
A long time... During a half century!

During my meetings,
in your schools, your universities and your associations...
those which I should have attended, as of the 6 years age...

answering your questions...

Me, Wladimir,
the Son of Perla Zandt, assassinated,
Wladimir, victim and survivor, « miraculated »...
thanks to the Swiss Young women...

Voluntary of the Assistance to the Children victims
of cruelty frenche-nazi and of the general indifference...

So that never
europe and france
do not lie you, once more,

on their acts
and their crimes against Humanity!

Perla, my Mom.
I love you.
For the thousands of years to come.
For eternity.

PREMIER MINISTRE

Commission pour l'indemnisation des victimes de spoliations
intervenues du fait des législations antisémites
en vigueur pendant l'Occupation

LE RAPPORTEUR GÉNÉRAL

Paris, le 26 janvier 2000

Requête 3
ZANDT

RAPPORT

Vu les articles 4 alinea 2 et 5 alinea 1 du décret n°99.778 du 10 septembre 1999 instituant une commission pour l'indemnisation des victimes de spoliations intervenues du fait des législations antisémites en vigueur pendant l'occupation.

Vu la requête présentée par Monsieur Wladimir ZANDT né à ELNE (Pyrénées Orientales) le 30 décembre 1940, demeurant à Paris 83 boulevard Voltaire et représenté par Me Franck SERFATI, avocat à la Cour, pour obtenir réparation des spoliations subies par sa mère naturelle Perla ZANDT née à Varsovie le 18 mars 1913, morte à Auschwitz.

Ainsi qu'en fait foi son extrait de naissance Wladimir ZANDT est né le 30 décembre 1940 à la maternité d'Elne (P.O.) ou sa mère, Perla ZANDT, juive polonaise internée au camp de Rivesaltes, avait été admise pour une durée de six semaines.

Perla ZANDT parvenait à s'enfuir avec son enfant âgé de trois semaines, cherchait à rejoindre sa sœur Sarah à Aix les Bains, et se fixait à Lyon où elle résida de 1941 à 1944 dans un logement, 81, rue Rabelais (6ème) exerçant une activité de corsetière et faisant des ménages.
Traquée, sa sœur Sarah et le mari de celle-ci arrêtés fin 1942, Perla ZANDT réussissait à mettre son enfant en sécurité chez une dame d'Aix les Bains, avant d'être arrêté à son tour le 13 juin 1944, à Lyon, transférée à Drancy le 4 juillet et déportée à Auchwitz par le convoi 77 du 31 juillet...le dernier.

Non seulement Wladimir ZANDT n'a jamais demandé ou obtenu de réparation quelconque mais au contraire, sa famille adoptive, dans le dessein d'effacer tout lien avec sa mère naturelle, a fait échec tant aux démarches entreprises par le frère de celle-ci depuis les Etats-Unis en vue d'une adoption, qu'aux possibilités d'indemnisations allemandes signalées par l'OSE le 18 février 1958.

Wladimir ZANDT est donc fondé dans sa présente requête a demander réparation à la Commission.

Les documents établis lors de l'arrestation de Perla ZANDT prouvent que celle-ci exerçait la profession de corsetière à son domicile à Lyon 81, rue Rabelais.
Il est permis d'en conclure que cette activité lui a permis de vivre, d'élever son enfant pendant quatre ans, de payer la pension de celui-ci, et qu'elle possédait nécessairement le matériel professionnel et le mobilier élémentaires.

Il appartiendra à la Commission d'apprécier le montant de la demande d'indemnisation qui, en tout état de cause semble modeste.

Cette « affaire » éclatait il y a juste quarante ans. Elle passionna l'opinion publique et suscita de nombreuses prises de position. On mesure mieux aujourd'hui le tournant qu'elle a marqué dans les relations judéo-chrétiennes en assurant les fondements d'un respect réciproque.

En tant que juifs, le docteur Finaly et sa femme ont été déportés en Allemagne le 15 avril 1944 et y sont morts. Auparavant, ils avaient confié leurs deux enfants à une catholique, Mlle Brun, qui devait les remettre à d'autres membres de la famille Finaly. Mais, en 1945, malgré la demande de ceux-ci, elle refusa pour que ces enfants qu'elle avait fait baptiser fussent éduqués en chrétiens. Il fallut un procès, en 1953, pour que la famille obtînt gain de cause. C'est alors que l'affaire rebondit et devint publique. Car des institutions catholiques cachèrent les enfants en s'appuyant sur le droit de l'Église : des enfants baptisés ne peuvent être rendus à une famille qui ne les élèvera pas dans la foi catholique.

Le grand rabbin Kaplan, chargé de cette « affaire », dut intervenir avec fermeté et tact, alors que les journaux prenaient partie dans un sens ou dans l'autre. C'est le récit de cette crise et de ses implications que fait ici celui qui en chercha le dénouement, en posant les fondements de nouvelles relations de respect mutuel entre juifs et chrétiens. On mesurera d'autant mieux le chemin parcouru depuis lors et le prix de la vigilance.

Le grand rabbin Jacob Kaplan, né à Paris en 1895, combattant de la guerre de 1914-1918, aumônier en 1939-1940, membre de l'Institut, a été grand rabbin de France de 1955 jusqu'à sa retraite en 1981.
